

Job Description & Person Specification

Job Title: Housekeeping
Subsection: Accommodation
Work Location: Laggan

Who are we?

Laggan has been the home of the McConchie family for 5 generations. We are a family run business in a magnificent rural location in the South of Scotland. In 2007, Duncan led the farm's diversification with the build of Laggan Outdoor Activity Centre. What started as archery in a cow shed has transformed into a rural destination of excellence where people can spend time with their friends and family, whether that is enjoying a getaway, celebrating a wedding, or enjoying a meal out together. We are greatly honoured to have the privilege of continuing the McConchie legacy and believe that it is our family values and ethos that has contributed to our success.

Housekeeping

Whether you're looking for part time, full time or a few hours a week - we have flexible shifts to suit your diary.

Working within a fantastic team, you'll work to maintain the high cleanliness standards we have for the whole business. Predominantly cleaning our Sea View Snugs, you'll be making beds, cleaning bathrooms, living areas and ensuring Hot Tubs are ready for guest arrival. You will also be part of the team at our 14-bed hotel in Gatehouse of Fleet which also has positions available.

Also, when time allows, there may be shifts in our wedding venue to ensure it is turned around between events and immaculately presented. Some early mornings may be required.

With high standards, we are looking for people with an eye for detail. Full training will be provided.

This is not an exhaustive definition of this role and duties may be amended from time to time (within reason) at the discretion of the Managing Directors.
